Quotas assigned to the products

The subscriptionProductId/quota translation table is:

subscriptionProductId	quota
900000500	1800000
900000040	144000

The quota is defined in seconds, therefore this equals:

Basic Offer: 40 hours of recording per customer = 144000 seconds.

Premium offer: 500 hours of recording per customer = 1800000 seconds
